

# Food Scraps to Local Farms

## GUIDELINES:

<p>5 gallon buckets with good lids :</p> <ul style="list-style-type: none"> <li>• Label your buckets and lids to be sure they are returned.</li> <li>• Swap empties for the full ones. You need twice the number you fill between pick-ups.</li> <li>• Discuss who will rinse &amp;/or clean buckets. (i.e. farmer might rinse but you might scrub)</li> </ul> <p>Note: Most Hobart industrial dishwashers can fit 5 gal buckets.</p>
<p>Pick-up/drop off schedule:</p> <ul style="list-style-type: none"> <li>• Discuss with your farmer.</li> <li>• Notify them of upcoming changes.</li> </ul>
<p>Know what materials your farmer accepts/rejects:</p> <ul style="list-style-type: none"> <li>• Food scraps must be free of contaminants. No plastic, glass, metal, or dog/cat feces, etc.</li> <li>• Remove produce stickers.</li> <li>• Pigs cannot have meat/fish or any food that has come into contact with it. See: <a href="http://www.anr.state.vt.us/dec/wastediv/solid/documents/SwineFeedingPolicy.pdf">www.anr.state.vt.us/dec/wastediv/solid/documents/SwineFeedingPolicy.pdf</a></li> <li>• Ask if they accept coffee &amp; filters, and uncoated, ink-free paper products (paper plates, napkins, paper towels-with no cleaning chemicals).</li> </ul>
<p>Toss food scraps into a “kitchen” bucket that you daily clean and empty into the outdoor 5 gallon bucket(s). This will keep smells and flies outside and your kitchen healthy.</p>
<p>Share information about this program with others.</p>
